This project was funded in part by UMASH through a cooperative agreement from NIOSH/CDC, U54OH010170 and by the MDH through a cooperative agreement from CSTE/CDC 5U38OT000143. The contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC.

FARMS, FAIRS AND FUN

BE SURE TO WASH YOUR HANDS

Six-step handwashing guide and other tips for farm and fair visitors.

DON'T SPREAD GERMS - WASH YOUR HANDS!

6 Steps to Flush Germs Down the Drain

WET

SOAP

WASH
FOR 20 SECONDS

RINSE

DRY

TURN OFF
WATER WITH
PAPER TOWEL

STOP GERMS!

DON'T TOUCH YOUR MOUTH

That's how germs
get in your body
and make you sick.

KEEP FOOD AND
DRINK OUT OF
ANIMAL AREAS
Including sippy cups,
bottles, and pacifiers.

CLOTHING AND SHOES

Change your clothes
and leave shoes at
the door when you get
home. Germs can "hitch a
ride" on clothing and shoes.
